HOTEL & ESTATE

*Christmas*

at Ballynahinch Castle 2025

## *A Magical Christmas in Connemara*

Christmas at Ballynahinch Castle is one of our favourite times of the year. Inside the hotel, the sound of the crackling open log fires is accompanied by the reflections of the twinkling decorations adorning the mantel pieces in the luxurious lounges.

The scent of mulled wine and freshly baked mince pies drift through the house as our devoted team make the final preparations for your arrival. Outside, the peace and tranquillity of Connemara's beauty awaits you; the winding trails, forest walks and walled garden are especially enchanting at this time of year.

# *Christmas Eve*

## 24th of December

Your Christmas Journey begins.

After weeks of anticipation, you will be greeted on arrival to your home away from home by our devoted team with some traditional Christmas treats as you check in beside the open log fire. An indulgent and magical Christmas escape starts where your every wish and desire are taken care of.

Later that evening, cocktails, canapes and festive entertainment await you in the Hunt's Room. Followed by a sumptuous dinner with your family, available in the elegant Owenmore Restaurant.

Last minute preparations and wrappings can be attended to before relaxing with a night cap in one of many corners, or perhaps there will be the annual gathering around traditional Christmas board games.

# *Christmas Day*

25th of December

All the joy and spirit of the season will prevail as the unexpected delights and treats unfold on Christmas Day. Find your way downstairs for a lavish breakfast after awakening to your loved ones and unwrapping your gifts with your family.

The morning is yours to explore the estate or Connemara, attend a church service and spend time with your friends and family.

In the late afternoon gather in the Fisherman's Pub or Hunts room for a pre-dinner drink. Following this, wander through to the Owenmore Restaurant where you will be greeted with a glass of champagne and some festive entertainment followed by an extravagant Christmas dinner. An air of elegant festivity will prevail as you pull crackers and enjoy your annual Christmas meal with your loved ones overlooking the Owenmore River. Afterwards retire to one of the lounges or Fisherman's Pub for after dinner drinks, board games, conversation, a good book or even a snooze.

Later in the evening, join in some good old-fashioned fun with our general knowledge quiz, accompanied by snacks for those who are peckish.

# *St. Stephen's Day*

## 26th of December

Following the joys and activity of Christmas Day, why not explore the estate further and get some fresh Connemara air. Our experienced walking guides will be on hand after breakfast to lead you on an incredible walk from the front door of the hotel. You may of course just explore the many trails and walks at your own pace.

Afterwards enjoy a relaxed light lunch in the Fisherman's Pub & Ranji Room.

Later that evening, join us for a memorable dining experience with a grand buffet in the Owenmore Restaurant offering an array of viberant dishes.
