"Unbeliveable wedding weekend"

"We travelled to Ballynahinch on our first trip together and knew even then that it's a special place. Seven years later, we came back with our closest family and friends for an unbelievable wedding weekend. Having the grounds to yourself and the incomparable hospitality of the Ballynahinch staff makes you feel like you're in your own home. The grounds and castle building offer so many different options for holding various events and gatherings that you can truly tailor your wedding and make it your own. After asking our loved ones to travel so far (all from the United States) to celebrate with us, it made us happy to simply know that they were well looked after in the beautiful, recently renovated rooms and enjoying themselves around the grounds. And the food! We're still talking about the food! We feel very lucky to have Ballynahinch in our lives forever.

The finest local produce

The kitchens of Ballynahinch Castle, under the careful stewardship of Executive Head Chef Danni Barry, have been delighting both visitors and local diners for years.

The Owenmore Restaurant offers elegant yet unpretentious dining in a stunning location. Using only the finest and freshest ingredients, David and his team take advantage of the wealth of fresh fish, and game available on the West Coast to produce wonderfully balanced yet creative dishes. The kitchen brigade and estate team ensure our guests can enjoy fresh produce from our Walled Garden and estate all year round.

Traditionally, dinner forms a key part of your wedding day. To this end the team will create a tailor-made menu for you that will live long in the memory. The dinner at your celebration will be of the high standard enjoyed by our restaurant diners. This will be a dining experience rather than a banqueting event and each plate will be individually dressed and presented.
